FORMATION OF A NEW 'FOOTPATHS GROUP'

A Footpaths Group had been set up to look at whether the existing footpath network could be improved through the addition of paths that had been lost over time but which might still be eligible for adding to the Definitive Map. The terms of reference of this Group would be tabled at a future meeting of the Group. Hugh Brookes is to chair the Footpaths Group.

VILLAGE MAP

Mrs Ruth Gerring had produced a 'Village Map' in water colour, showing various places of interest around the village and consideration was being given to it being mounted and displayed in a suitable public location.

Funding for the measures put forward by the Road Safety Group and following the public consultation, including the public meeting on the 24th March, was being pursued. It was hoped the Road Safety Group would continue to report regularly to the Parish Council on this matter.

MAY DAY 2018

Anyone who was there does not need telling what amazing weather we had for our May Day celebrations. The hottest I have ever known in my 10 years involved. How many years have the team watched the clouds and pontificated on whether to erect the gazebo or not! There were no such deliberations required this year except discussing how to optimise the shade available.

Our May Queen was Natalie Ewart and her attendants were Georgia Rapley and Nancy Campbell. The musicians, Queen, attendants and dancers paraded from the village hall and around the village green, where Queen Natalie was crowned by Margaret Roberts. The children, dressed in their beautiful pinafores, performed the Barber's pole, spider's web and the Plait with big smiles and very hot faces. The crowning performance was a new dance called the Chrysanthemum which they performed magnificently; thank you to Ruth Gerring for the assistance in teaching the children. Well done to our dancers who were extremely hot and had to have a well-earned drinks break in the middle.

Diane and I would like to thank all involved, the Musicians particularly, without whom the day would never be the same. Helen asked for a big thank you to Mary Castle for her help with the tea and cake table. She couldn't have managed without you.

See you all next year, hoping for sunshine!

Lorraine and Diane

ART & CRAFT EXHIBITION

IT'S A WONDERFUL WORLD'

What an exciting diversity of talent was on display in St Peter's Church! 16 artists, the majority of whom came from within Charney Bassett and the remainder from the immediate surrounding area, exhibited a wide range of works.

We enjoyed paintings, monoprints, sculptures, metalwork, furniture and turned wood, patchwork, tapestry, soft toys and bags – all viewed by 176 visitors over Friday to Monday!

A total of £250 was raised for St Peter's Church – *thank you!*
