

### Priorities

**Burglary:** We are continuing to tackle the increase of burglary and theft related offences in the area. Faringdon Neighbourhood team will be working alongside Operation Monitor team, based at Abingdon. This team will be focusing on burglary in the area, targeting known offenders to disrupt their activity. Please continue to report any activity you believe to be suspicious on 101, or 999 if there is an immediate risk.

**Rural Crime:** Rural crime continues to be a priority for the Faringdon Neighbourhood Team. With crops now starting to grow in the area our focus is now more on rural thefts than hare coursing. We do continue to conduct regular patrols in our area to deter offenders and take action by working together with the rural community to catch offenders when they are identified.

### Offenders brought to justice

Faringdon Neighbourhood team successfully applied a partial closure order on 1 The Lees, Faringdon, on 14<sup>th</sup> May. The magistrates agreed that the order was necessary to prevent anti-social behaviour, crime and disorder at and outside of this address. This has had a positive effect, with us noticing a decrease in ASB and disorder in this area.

Alan Reed, aged 45 of Van Diemens Road, Stanford in the Vale, pleaded guilty at Oxford Magistrates Court on Tuesday 22<sup>nd</sup> May to one count of breach of restraining order, one count of using threatening, or abusive language to provoke fear of violence, and one count of breaching a suspended sentence. He has been sentenced to a total of 2 years at Oxford Crown Court on 24<sup>th</sup> May and was also ordered to pay a victim surcharge of £140.

### Crime prevention advice

As the warmer weather hopefully continues to make its presence we see our beauty spots such as White Horse Hill, The Ridgeway and Badbury Hill getting busier. Unfortunately with this comes more opportunities for offenders to commit thefts from vehicles. We encourage you to deter these offenders by applying the following when leaving your car unattended in the car park

- Double check that your vehicle is securely locked.
- Don't tempt thieves by leaving bags and valuables on display. Instead take them with you when possible. Also be aware of people watching you if you are relocating items to the boot where you think they are out of sight. If offenders see you put them there, they know they are there.
- Sat navs can leave marks on your windscreen. If offenders see this they may take the opportunity to see if it's left in the car.

We continue to perform patrols of these areas to deter offenders. While on these patrols PCSO Maralyn Pack and PCSO Howard Pack recently found items that had been dumped following thefts from vehicles. We are pleased to say that we managed to reunite some of these items with their owners.
