

**VILLAGE COLLEGE****Wreath Workshop 15<sup>th</sup> December 2018**

A morning spent making Christmas Wreaths was enjoyed by seven ladies from the village. We were treated to a demonstration of how to make the wreath as well as lots of help with making our own creations. Many thanks to Veronica Sharley for sharing her expertise with us.

**Bridge Workshop 12<sup>th</sup> January 2019**

Ten keen, but complete beginners, attended on Saturday 12<sup>th</sup> January for an introduction to the complexities of the game of bridge. Ken Castle gave a very comprehensive lecture covering playing, bidding and scoring. We then enjoyed a welcome tea break after which it was our turn to have a go at playing a game. Most struggled with the bidding but were beginning to get the hang of things when it was time to stop. As everyone was keen to learn more a follow up session was arranged for the following Saturday.

Many thanks to Ken for agreeing to impart his knowledge to us and to Mary for the wonderful cakes and tea she provided. Hopefully those who attended will carry on and become competent players.

### BEYOND THE CALL OF DUTY

Volunteer Field Safety Officer Bruce Royan visits the Charney Field every week to ensure that the playing field and the equipment, are safe, especially for the children.

Unfortunately Bruce regularly has to collect and dispose of the dog waste that dog owners couldn't be bothered to pick up themselves. The black bags in the photograph contain the waste picked up half way round the field. The final 'haul' was substantially bigger.

## DON'T LET THE SPARKS FLY THIS WINTER

Nearly 50% of all chimney fires in Oxfordshire happen during January, February and March. If you enjoy cosying up in front of a log fire, make sure the sparks don't fly at home this winter.

Have a cosy home not a fire zone

- Get your chimney swept at least once a year, if you regularly have log fires get it swept more frequently
- If you have a 1<sup>st</sup> floor fireplace check that it is clear of debris
- Store logs away from the fireplace

## Funeral of Mahala Nellist

David wishes to thank all who attended the Celebration of Mahala's life. The ceremony was held on Wednesday 16<sup>th</sup> January at the South Oxfordshire Crematorium.

Although the day proved to be wet and chill the number of friends and relatives attending was overwhelming and filled the gathering hall to capacity with standing room only.

The occasion consisted of music chosen by Mahala herself and with tributes to her, both happy and sad, befitting the occasion admirably, which brought both laughter and tears to all those with their own fond memories of her.

Following the Committal there was a Wake, held at The Chequers in Charney Bassett comprising a delicious warm buffet which found great favour with those arriving from the ceremony. Many reminiscences were discussed over lunch.

Happy and Fond Memories of Mahala were definitely the order of the day.

## Answer to the query posed on page 2

The photographs show the Wassail being celebrated in Charney Bassett on Saturday 5th January.

Wassailers gathered at The Chequers at 6.00pm and sang as they proceeded with lanterns down Main Street to the Millennium Community Orchard (opposite the Church). There the gathering sang to the apple trees! before moving on to Brook Cottage Farm to anoint the trees with toast and cider and salute the trees with gun

After socialising at Brook Cottage Farm some found their way back to The Chequers to complete the evening!
