## **Wantage & Surrounding Area CORONAVIRUS Support Group**

The Ray Collins Charitable Trust, in conjunction with the Wantage Town Council and Wantage Chamber of Commerce have formed The Wantage & Surrounding Area CORONAVIRUS Support Group.

This local community group aims to help elderly and vulnerable people and needy families living in isolation or those people/families choosing to self-isolate because they are concerned they have CORONAVIRUS in Wantage and within five miles.

We have a small army of willing and trustworthy volunteers and with your permission we can do your shopping for you and collect your prescriptions.

We are also working with local companies Corks & Canapes and Sugar and Spice to supply a meals on wheels service, healthy and nutritious home cooked meals at a very affordable price and some sweet treats. All deliveries and collections will be free to you but you will still need to pay for your meals, shopping and prescriptions (unless you are eligible for free prescriptions).

If you would like us to help you or if you would like a friendly person
