

# **CHARNEY BASSETT**

## **COMMUNITY LED PLAN**

### **Community Consultation Meeting** **13<sup>th</sup> June 2.30pm – 4pm** **in** **Village Hall**

Charney Bassett Parish Council has decided not to proceed with a Neighbourhood Plan. The good news is that the questionnaire that residents completed last year is still useful. The Parish Council has decided a Community Led Plan would be of greater use for our Community.

The Neighbourhood Plan was a building policy plan; the accompanying ongoing work would have been undertaken by the Vale of the White Horse District Council. A Community Led Plan gives us more flexibility to focus on what we, the residents of Charney Bassett, would like to achieve, but these ideas will be co-ordinated by ourselves.

These ideas need to be identified and written up as action points. Final responsibility for satisfying these action points will rest with the Parish Council, however village groups are more likely to plan activity to satisfy the action points on behalf of the Parish Council.

We are holding a Community Consultation meeting on 13<sup>th</sup> June, this is your opportunity to come along and hear what has been proposed so far, give us additional ideas for what you would like to see included and help make the final decision as to what is important.
