

LOCAL RESIDENTS' FUND RAISING EVENT AT THE TRUCK FESTIVAL

Local residents Lawrence and Alex Jacob (assisted by Pam Edwards) recently held a fund raising event for the Batemans Trust, a charity founded and run by the Jacobs family.

Lawrence and Alex commented: "We are delighted by how much we made for Batemans, with takings totalling £5,500. This means we should have made a profit of around £3,800", said Alex. The bulk of this will go towards building our own school in Chennai."

THE CHARNEY ARMY

"In spite of the heat, the Charney Army haven't stopped this month. Prickly weeds in the church yard, mowing the orchard, tree down on the bridle path and cutting back the suckers from the poplars on the field.

Lots to do in the coming months too. So if you would like to join in, or have a project for us, please send an email to charneyarmy@gmail.com. We meet on the second and last Thursday of every month at 10 o'clock. Look forward to seeing you!"

WHAT IS THE 'COMMS GROUP'?

The Communications Group is a small group of local residents (and a Parish Councillor) appointed by the Parish Council to

- help the Parish Council run its business in an open and transparent way and importantly
- provide an opportunity for residents and village organisations to play their part in ensuring Charney Bassett is an informed, knowledgeable and vibrant community.

WHO IS ON THE GROUP?

WHAT DO THEY DO?

Collectively the Group are responsible for

- maintaining an up to date database to allow for effective communication with local residents
- producing the monthly village e-newsletter
- issuing one-off email bulletins/messages
- providing hard copy newsletters to households that are unable to receive information electronically;
- managing the village website and, in particular, the section devoted specifically to Parish Council business;
- overseeing the activities of the History Group and managing its website.

WHY THIS MESSAGE?

All groups need to have one eye on the future (OK we will call it succession planning). Consideration is being given to refreshing the Group.
