

Management Committee of Charney Hall & Field Trust

9th December, 2020

Woodland Renovation Project Team

Terms of reference.

Purpose

Under the general guidance of the Management Committee, the project team will develop and implement a replanting plan for the woodland area of Charney Field to secure the long term future of the area as a woodland. The project will be led by a member of the Management Committee, and consist of one other Trustee, volunteers from the local community and one person nominated by the Parish Council

The project team will

- (a) consider how the village in general and children in particular can be involved in the project
- (b) seek additional specialist advice, as necessary and appropriate
- (c) develop a working map, and prepare and implement a replanting plan which conforms with the Felling Licence
- (d) research and propose arrangements for the long term management of the woodland area
- (e) identify financial implications and seek sources of grant aid.
- (f) ensure compliance with legal, health and safety and insurance requirements,
- (g) report progress to the bi-monthly meetings of the CHAFT Management Committee.
