Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e)

The premises licence holder, DPS, management and staff will constantly assess any risks to the licensing objectives. They will work in partnership with the authorities and local people alike in this respect. The staff will be properly authorised, equipped, trained and motivated in this task. There will be:

- A written notice of 'authority' record for all staff who sell alcohol
- Comprehensive training for staff in the main requirements of the Licensing Act 2003, the specific measures and conditions in place to promote the Licensing Objectives and the staff roles and responsibilities. Such records shall be available for inspection by the responsible authorities.
- Contact details of the Designated Premises Supervisor available to staff and to the authorities
- The premises will operate as a bona-fide conference, retreat and event venue and licensable activity will be ancillary to that business model.
- A written record of all booked events shall be maintained at the property and available for inspection by the responsible authorities
- Sales of alcohol for consumption ON the premises shall not occur earlier than 1200hrs on any day.

b) The prevention of crime and disorder

The management and staff will take all necessary steps to ensure that the premises remain free from crime and disorder and neither cause or contribute to crime & disorder in the area. This will include:

- Staffing levels maintained appropriately to ensure adequate security.
- High value items stored securely
- Staff being trained on security issues including how to identify and refuse service to customers that are drunk or appear to be drunk.
- A policy of zero-tolerance to drugs at the premises

c) Public safety

The management and staff will have an effective policy to maintain a safe venue for visitors and staff. Any risk to safety will be assessed before the premises are opened to visitors each day and throughout the hours of operation. The DPS will liaise with the authorities to ensure that all aspects of public safety are adhered to. The policy will include:

- Ensuring that the grounds, entrance and any walkways within the premises are kept free from obstruction
- Appropriate fire fighting equipment being installed and maintained at the premises and staff trained in its use.
- Fire risk assessments being undertaken and acted upon in accordance with current recommendations and requirements.
- Effective lighting will be maintained and operated to ensure the safety of visitors and staff
- Risk assessments for each event will be conducted by the premises licence holder in accordance with current health and safety legislation
- The approved arrangements at the premises, including means of escape provisions, emergency warning equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.
- The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the plans provided

d) The prevention of public nuisance

The Licence holder, DPS and staff are mindful of the need to reduce the impact of any nuisance caused by the operation of the premises, will constantly assess the risk of public nuisance and take immediate steps to eliminate the problem. The policy will include:

- No light on or from the property shall be provided where that light causes a nuisance to nearby residents
- The site and public areas nearby are kept free from litter associated with the operation of the business
- Satisfactory arrangements will be put in place to supervise an orderly dispersal of visitors when leaving the property to ensure the minimum of noise and disturbance to local residents.
- Notices will be displayed at exits from the property, in a place where they can be easily read, asking visitors to leave the site and the area quietly
- Deliveries to and waste removal from the site are undertaken at a time and in a manner that does not cause disturbance
- Live or recorded music from regulated entertainment shall not be audible at the boundary of the nearest noise sensitive property, so as to cause a disturbance to local residents
- The premises licence holder or his/her representative shall conduct regular

assessments of the noise coming from the site on every occasion they are used for regulated entertainment. Appropriate steps shall be taken to reduce the level of noise where it is found to be heard at the boundary of the nearest residential property.

- A written record shall be made of all assessments in a log book kept for that purpose and shall include the time and date of the checks, the person making them and the results including any remedial action.
- During periods of regulated entertainment all doors and windows in those areas shall remain closed except for normal access and egress or in the case of an emergency.
- At any event occurring outside of the main building, all amplification equipment shall be installed in such a way as to project the sound away from residential property
- Plant and machinery shall be positioned so as not to cause a noise nuisance to nearby residential properties
- Any complaints received about noise shall be logged and any appropriate remedial action taken as a matter of urgency.

e) The protection of children from harm

The property will be promoted as family friendly and suitable for all ages. There will be no inappropriate entertainment, promotions, activities or behaviour tolerated at the premises that might put children at risk. There will be an effective age verification policy in accordance with the mandatory code. This policy will be one of **Challenge 25** for age-restricted products and include:

- The appropriate display of notices relating to the policy within the premises and in promotional material.
- These notices will indicate that any customer not appearing to have reached the age of 25 will be required to produce appropriate identification proving that they have turned 18 before being sold alcohol.
- Appropriate ID will be a valid passport, photo driving licence, PASS accredited proof of age card or other reliable photo-ID that is recommended and approved for acceptance by the police or other authorities.
- Staff shall be trained in aspects of responsible alcohol retailing and in particular the Protection of Children including the Challenge 25 policy.
- Training will occur before a staff member is authorised to sell alcohol within the premises.

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

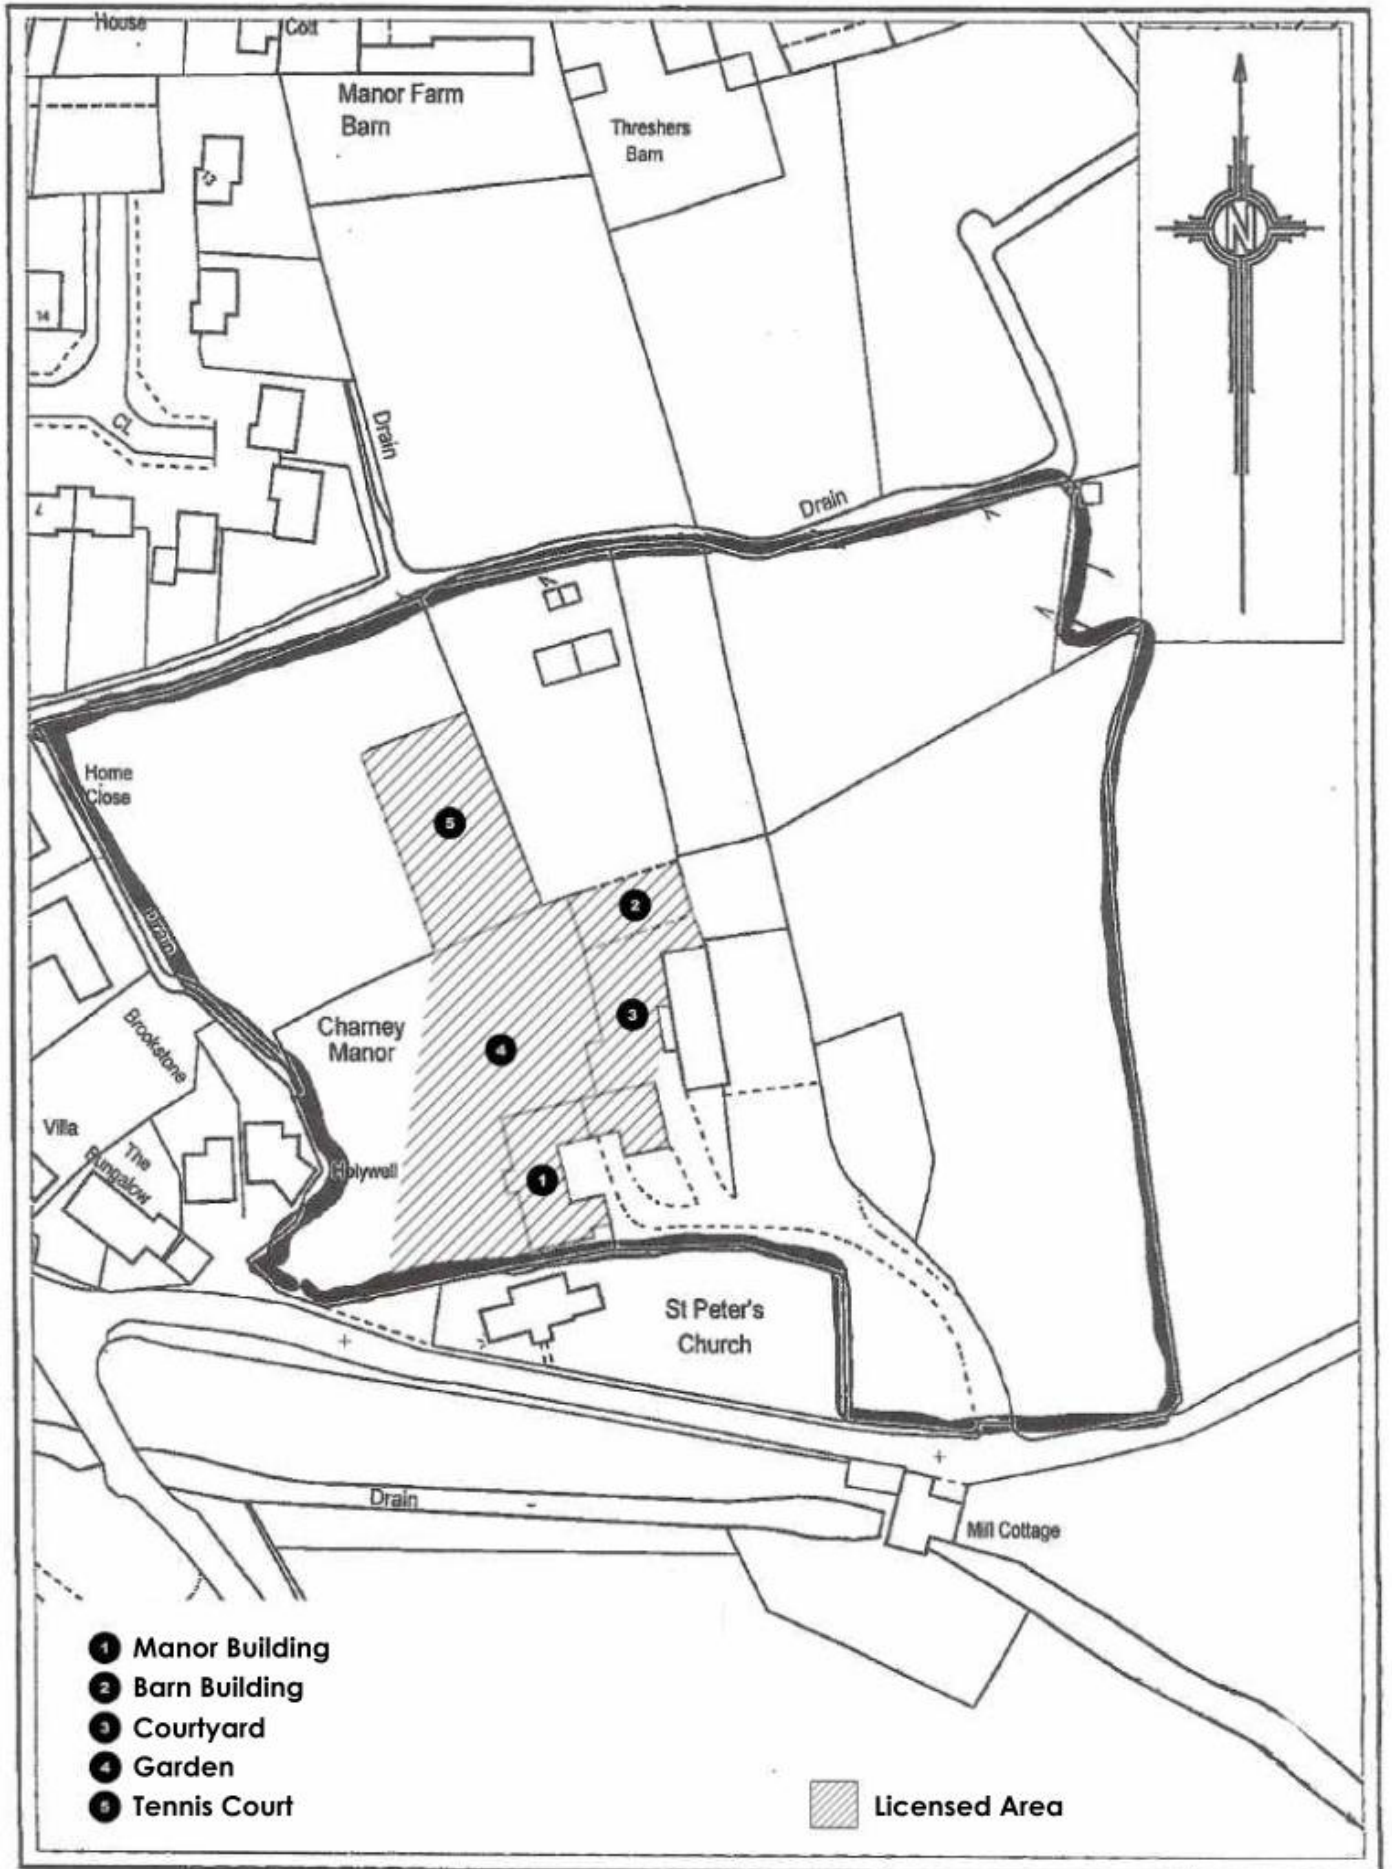

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
