VWHDC Lottery

The VWHDC run a lottery for good causes with top prizes of £25000 per week for matching all six numbers. It has been running since the summer but I have only just registered our interest to take part. [A new community lottery is coming to the Vale of White Horse - Vale of White Horse District Council \(whitehorsedc.gov.uk\)](#) [White Horse Community Lottery - Support a good cause & maybe even win big! - White Horse Community Lottery \(whitehorselottery.co.uk\)](#)

The way it works is we have to promote the lottery and who people buy tickets nomination CHAFT as their charity. Tickets are £1 per month with an 50p going to the good cause. We need to get 20 people regularly buying a ticket to qualify.

They have now written to me asking them to supply all sorts of details from governing document to bank details. All of which I can do.

However, I am wondering whether or not we should be pursuing this since we already have our own 100 club. Are we going to be able to get 20 people to commit to £52pa in addition to having 100 club tickets? Do we want to risk losing 100 club members?

I'd be interested in your thoughts before I submit any additional information.
