APPENDIX 2

SPECIAL CONDITIONS OF HIRE DURING COVID-19

Whilst the Government has signalled the ending of Covid restrictions you are asked to observe the following requirements in order that more vulnerable people feel safe using the hall.

1. You, the hirer, will be responsible for ensuring those attending your activity or event comply with the COVID-19 secure guidelines while entering and occupying the hall as shown on the poster which is displayed at the hall entrance, using hand sanitiser when entering the hall supplied.
2. A copy of the hall risk assessment can be viewed at <https://charneybassett.org.uk/village-hall-field/>
3. You will make sure that everyone likely to attend your activity or event understands that they **MUST NOT ATTEND** if they or anyone in their household has had COVID-19 symptoms in the last 48 hours. If they develop symptoms within 5 days of visiting the premises, they should be encouraged to take a lateral flow test.
4. You will keep the premises well ventilated throughout your hire, with windows and doors open as far as is convenient. You are responsible for ensuring they are all securely closed on leaving. It is suggested that the hall be aired by leaving windows and doors open for 10 minutes after your activity
5. You will ensure where possible that people attending your activity bring their own equipment which should not be shared with others.
6. Where a sport, exercise or performing arts activity takes place you will organise your activity in accordance with guidance issued by the relevant governing body for your sport or activity.
7. You will take particular care to ensure that social distancing is maintained for persons aged 70 or over or persons likely to be clinically vulnerable to COVID-19. For some people passing others in a confined space is less risky but for older people should be avoided.
8. You will position tables and chairs or arrange the room as far as possible to facilitate social distancing between individual people or groups with mitigation measures such as seated side by side, rather than face to face. If tables are used, you will place them to maintain a distance across the table between people who are face to face e.g., using a wide U- shape arrangement.
9. You will be responsible for the disposal of all rubbish created during your hire, including tissues and cleaning clothes and wipes. Bins are provided in kitchen and toilets. External bins are at the side of the hall.
10. Where applicable you will encourage users to bring their own food and drinks. You will be responsible if food and drinks are made for ensuring that all crockery and cutlery is washed in hot soapy water, dried, and stowed away. You will be responsible for supplying your own tea towels to reduce contamination between hirers. CHAFT will provide washing up liquid and disposable washing up cloths. Food and drink should be consumed while seated.
11. CHAFT reserves the right to close the hall if there are safety concerns relating to COVID-19 e.g., if someone has attended the hall subsequently develops symptoms and a deep clean is required, or if it is reported that the Special Hiring Conditions are not being complied with whether by you or other hirers, or if public buildings are closed again by law. If this happens, we will endeavour to inform you promptly and you would not be charged for hire.
12. In the event of someone becoming unwell with suspected COVID-19 symptoms while in the hall you should remove them to a designated safe area which is the kitchen. A Covid-19 First Aid Box is stored in the end cupboard by back door. Ask others in the group to provide contact details if you do not already have them and then to leave the premises, observing the usual hand sanitising and social distancing precautions, and to advise them to launder their cloths when they arrive home. Inform the trustee responsible for the hall 01235 869171.

You - means you or your nominee. **We** – means CHAFT.
