

Charney Chatter

E110 July 2023

A big thank you to everyone involved with the Flower Festival in the Church, with some amazing displays. A teapot made of ivy, knitted cakes, crocheted Daffodils, a large tea urn, a white rabbit, a top hat, cakes made of flowers, jugs of all shapes and sizes, a mop and bucket, teddy bears enjoying a picnic, and a beautiful flower quilt, all made of or containing flowers.

Those who didn't come missed a real treat. One cyclist who called in said it was the highlight of his week!

Thanks also to everyone involved with opening the Mill.

It was a 'communittea' effort raising more than £370.

Flying over RAF stations and places of significance to the aircraft's history, it was a fitting goodbye in preparation for its retirement on 30th June 2023. And, of course they flew over Charney (see photo above taken from Charney Field) as well as a few other places!

On an extremely chilly evening in June, entertainment was provided outside the Chequers by the morris group, Cry Havoc and a small troop from the [Vale Islanders](#). All were cheered on by a hardy band of spectators who braved the cold wind to enjoy the music and dance.

The [Vale Islanders](#) meet most Tuesday evenings in Charney Bassett, and are always happy to welcome new members (see [website](#) for more information).

Charney Bassett Parish Council

The Parish Council Annual Meeting and Annual Parish Assembly were held on 10th May 2023 in the Village Hall. The next meeting date is Wednesday 12th July at 7.30pm.

Agendas and minutes of meetings can be found online at www.charneybassett.org.uk including the full draft minutes of the 10th May meeting.

Trevor Brown (Parish Clerk) can be contacted at parishclerk@charneybassett.org.uk.

Traffic

The Road Safety Group is starting to collect data on traffic volumes and speeds from our two Movable Vehicle Activated Signs. These were first deployed on Lyford Road and Longworth Road and initial readings suggest that the volume of traffic at each is little different to that recorded in 2018. Many perceive that traffic volumes in the Village have increased, so this initial finding may come as a surprise. More will be reported on this as further data is collected.

The average speed of vehicles coming into the Village on Lyford Road was 25 mph. On Longworth Road 87% of incoming traffic stuck to the 30 mph limit, with the average speed being 26 mph.

The signs are about to be moved again from their current locations and at each change data is downloaded. More will be reported in future editions.

Some nearby villages are now benefiting from their speed limit being reduced to 20 mph. Charney is still in line for this but is having to wait its turn.

Any comments or questions? Please relay these to the [Parish Clerk](#) who will pass them on to the Road Safety Group for further consideration.
